

Referral Program

You may come across friends, colleagues or people in your community who you think would benefit from our services. And who better to guide them to the right service than a person who has already used it and likes it?

Now referring friends is simple and rewarding too.

1. To participate in this program you need to be an existing customer of GetFriday.
2. Just send an email to your friend and cc support@getfriday.com.
3. If your friend signs up you get a reward!

Reward:

1. For the first four full months of your friends billing cycle, a portion of his billing will be credited to your account as follows:

Month 1	Month 2	Month 3	Month 4
50%	20%	20%	10%

2. If your friend upgrades, downgrades or cancels during that time, your payout will reflect that change.
3. This amount will be credited to your account every month and will lapse after four months from the date of sign up.
4. Credits can be used against usage of service only.
5. No cash payout shall be applicable.

For Example: suppose you're on a B-10 plan and you sign up a friend on a P-40 and he upgrades to a P-80 in his second month with us?

	Month 1	Month 2	Month 3	Month 4	Month 5	Month 6	Totals
Your Billing	120	120	120	120	120	120	720
Friends Billing	360	640	640	640	640	640	3560
Percentage due to you	50%	20%	20%	10%	0%	0%	100%
Your Payment for that month	180	128	128	64	0	0	500
Your bill for that month	-60	-68	-76	-20	100	120	220

You will save \$500
